Sales Points

- Over 100 beautiful doodles to complete
- Fun, simple and creative - let yourself be inspired
- Children and adults can express their imagination, no age limits
- From the bestselling doodle book series, which has sold over one million copies to date

Reviews

- 'No pressure to draw with this lovely book - just use natural creativity and doodle. Nicely set in the form of templates, so children can decorate paper dolls' clothes, imagine what animals are missing in the pet shop, and then veer off on their own doodling journey.' - *The Independent on Sunday*
